WITH ON-TREND BOTANICALS

READY TO EMBODY YOUR SKINCARE OR BEAUTY PRODUCT

CHAMOMILE

Contains anti-inflammatory flavonoids which help prevent and reduce inflammation related skin irritations.

MYRRH GUM POWDER

Adds fragrance to soaps, lotions and perfumes. Used in ointments formulated to sooth minor irritations and muscle aches.

CALENDULA

A favorite herbal ingredient for hydrating. Used in lotions, soaps and salves often made for sensitive skin.

GINGER

Has anti-inflammatory and antioxidant properties often used in toners, masks, oils and more.

LAVENDER

Valued for its potential hair-growth properties and incredible scent. Anti-inflammatory, anti-microbial, and antiseptic properties.

Natural skincare, hair and beauty products are on the rise as consumers look for clean and effective alternatives. Botanicals, essential oils and herbal powders are replacing unnatural ingredients providing integrity and benefits like incredible aromatics, beautiful colors, vitamins and antioxidants.

We supply bulk herbs to a range of skincare, beauty and cosmetic brands.

See how some of our customers harness botanicals to create wellness in our world.

Cosmetics Manufacturer

This customer is a cosmetics-wholesale and manufacturer housing multiple beauty brands in the hair, skin and beauty markets. They use several of our best-selling herbs in their formulation.

Nail Salon Supply Company

As a manufacturer, wholesaler and retailer of beauty supplies, they offer everything a salon or spa needs from the furniture to hand sanitizers and herbs used in treatments.

All-Natural Beauty Brand

This California-based brand creates clean, sustainable, and effective French-inspired skincare products. They are filler-free, sulfate-free, paraben-free, phthalate-free, cruelty-free, vegan and botanical-forward, using herbs like ashwagandha and pine bark to name a few. They make their products in Los Angeles, CA and sell them nationwide online and in Ulta Beauty.
