HOW WE'RE DIFFERENT

Consistently better 'in stock' position

Serving over ten different types of small businesses

Health

- Herbalists
- Health Food Stores
- Nutraceuticals and Supplements
- Skin Care/Cosmetics
- Pet and Animal Wellness

Food & Beverages

- Tea & Coffee Brands/Shops
- Craft Distilled Spirits
- Craft Micro Breweries
- Food and Beverage brands
- Restaurants

General Herbs

- E-commerce resellers
- Metaphysical practitioners

HERBS & SPICES

We have provided a wide range of bulk herbs and spices to small businesses since 1997—keeping prices competitive by sourcing many products directly from growers. Our quality meets a high standard and is independently verified by third parties. No minimum quantity is required for orders on herbco.com. A \$100 minimum order value is required for phone and mail orders. Orders ship within two business days

HERBAL TEAS/TISANES

We source a large selection of herbal teas that include many botanicals, interesting flavors, and various uses. Although these herbs and herbal blends are called "teas", they don't actually contain leaves from the tea plant. They are a caffeine-free mixture of different botanicals that are prepared and sipped like traditional teas.
