

# CREATE AND INNOVATE

WITH

## ON-TREND HERBS & SPICES

READY TO BE INCORPORATED INTO YOUR PETS EVERYDAY CARE

### MARSHMALLOW ROOT

Natural marshmallow root contains soothing substances that can help ease digestion.

### CATNIP LEAF & FLOWER

Catnip acts as a stimulant for cats. For dogs, it works to reduce feelings of anxiety.

### CHAMOMILE

When taken in small amounts, chamomile can be a calming supplement for your pet.

### PSYLLIUM HUSKS

Psyllium husk powder is a great source of fiber, promoting digestive wellness in animals and people alike.

### ROSE HIPS

Rich in antioxidant flavonoids such as lycopene and a natural source of vitamin A, C, D and E for animals.

Increasing awareness of the harmful effects from synthetic pet food\* has lead consumers to seek natural and fresh alternatives for their pets to live a longer, happier, and healthier life.

*\*Global News Wire*

We supply bulk herbs to a range of animal supplement and food brands.

See how some of our customers harness botanicals to create wellness in our world.

#### All-Natural Animal Food Company

This brand makes pet food using wholesome ingredients and herbs like turmeric, kelp and dandelion to create high-quality treats, supplements and grooming aids for dogs, cats and birds.

#### Fresh, Whole-Ingredient Dog Food Brand

This customer creates vet-developed recipes for meals, treats and supplements that focus on supporting specific wellness goals at different life stages.

#### Exotic Pet Food and Product Supplier

An established brand making food for reptiles, amphibians, fish and more. They use nutrient-rich herbs like rose petals, red clover, chamomile and spirulina in their food—providing pets with a taste of what they would eat in the wild.

#### Pet Chicken & Poultry Food Brand

With years of knowledge and experience taking care of domestic fowl, this brand produces a full line of herbal products to support egg production, digestion, control pests and more.
